2026 hiring plan

FDC CONFIDENTIAL - SYNTHETIC DEMO DATA

The board approved 36 net new hires for the remainder of 2026.

Planned hires: 14 Engineering, 8 Customer Success and Implementation, 8 EMEA Sales, 4 Security, and 2 Finance.

Priority roles are VP EMEA, Director of Implementation, Staff Mobile Engineer, and Security Compliance Lead.

The VP EMEA role has been open for 74 days and is the largest leadership hiring risk.

PEOPLE ACTIONS

Launch a technical career framework by July 15.

Increase implementation onboarding capacity before the September demand peak.

Run manager training for all new managers in Q3.

Keep regrettable attrition below 6% for the full year.
